

What is Casino Night? Why is it important? What can I expect to do there?

- Casino Night is the biggest fundraiser of the school year sponsored by the PTA to benefit the students of OLPH School
- A ticket to Casino Night includes a delicious dinner buffet being provided by Martisa's Cuisine right here in Maple Shade, dessert table, soda, water, coffee, tea, wine, and beer on tap. A few types of bottled beer will also be available for a small fee upon request.
- Casino Games such as Blackjack, Roulette, Craps, Poker, Money Wheel and Texas Hold 'Em will be available provided by Tumbling Dice and their staff of licensed, professional dealers and gaming officials. Their job is to instruct you how to play if needed, offer advice if asked but mainly to ensure that you are having a good time! Games are played from 6:30 to 10:15
- Each ticket purchased by January 31st includes a small amount of "Funny Money" to cash in for gaming chips to be used at the tables. Gaming chips are also available for purchase to play with cash, checks or credit cards. Many awesome specials are offered for chips throughout the night. Best advice: Buy the early Chip special as it is the best!
- At the end of the night, you exchange your "Chips" from the dealers for ticket boards to be used for the many raffle baskets that will be available. Prize baskets range from \$125 to \$200 each.
- In addition there are raffles and of course a 50/50 available!
- For everyone's safety, no liquor will be served after 10:15 but there will be plenty of coffee, tea and soda to enjoy along with the remainder of the desserts while we do all raffles and prize baskets!
- Most importantly, yes this will fit into Nolan Hall! Tumbling Dice has already been here and assured the committee that the usual amount of tables will fit in the front of the hall along with seating for everyone in the back half of the hall.
- So come on out and join us for a night of fun, prizes and yummy food!! Tickets are just \$35 a person, a decrease of \$10 a person from previous years! Hurry and get your tickets soon. The earlier the better to earn more funny money! Our goal is to sell 200 tickets! So now...

Are you coming to Casino Night? Did you tell your family and friends? How many tickets would you like?

Send ticket requests to the School Office!
