

Our Lady of Perpetual Help
CHURCH AND SCHOOL

January 25, 2019

Dear Families,

As we enter Catholic Schools Week, I would like to express the gratitude of our faculty and staff for the privilege of serving your children in the ministry of Catholic education. Thank you for being a part of our wonderful school family.

We continue to meet the challenge of rigorous and relevant Catholic education in the 21st century while providing you with great value for your investment. We are constantly working to keep up with the ever-changing trends of education, all while incorporating Catholic values in all we do.

We assure you that decisions regarding tuition are made with great care and study. With limited resources we sustain an exemplary academic program and continuously enrich the nurturing environment people have come to expect from OLPH Catholic School. Enclosed you will find our tuition costs for 2019 - 2020. We have worked very hard to try and limit the financial strain on our families, although an increase in tuition was necessary. While an increase in expense is never welcome, I think that you will be happy overall with the structure.

It costs \$7305 to educate each child in our school. You will see that our tuition alone does not cover that cost. We encourage you to participate in our fundraisers and become active in our PTA. Reaching out to the wider community for increased participation in these efforts will take the burden off school families. Fundraisers are not intended to be another place that you, our school parents, need to spend more money. They are opportunities for others to help support our school financially, allowing us to continue to provide the high quality, Catholic education you have come to expect.

Our Lady of Perpetual Help School re-registration starts now. It is important to us that our current school families get first priority in registering so we know how many spots are available for potential new students in each class. We are asking that you return the necessary re-registration form, including the registration fee, by Friday, March 15, 2019 in order to have your child's place secured in the class. Your re-registration fee may now be paid through your FACTS account online, or you may pay by personal check. Please indicate your preference on the re-registration form.

We know that childcare before and after school is a challenge for many families. We have not increased those fees and hope this helps those who utilize this wonderful option we have available. The program is self-sustaining, so it is not a burden on our budget.

Thank you again for your partnership as together we continue to educate the children that God has entrusted to our care. Please do not hesitate to call the office if you have any questions.

We are looking forward to another great school year in 2019 - 2020!

Sincerely yours in Christ,
